The Rosary Society Ministry of St. Michael's Church Cranford, New Jersey

*More Than
Just a Decade ...*

The Rosary Society formally began at St. Michael's Parish in October of 1941 and has continued to be a very active ministry for over sixty-five years. Women united together in prayer and devotion to Our Blessed Mother Mary and, with her as their example, they are pledged to serve the Altar of the Church and have always been encouraged and supported by all the pastorships of St. Michael's.

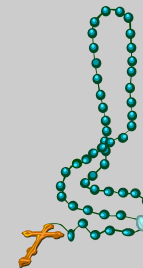

Msgr. Timothy Shugrue is presently our Spiritual Director and his devotion to Our Blessed Mother is most evident by his caring, compassion, words of encouragement, support and guidance to the Rosarians.

The volunteer activities that fall under the Rosarians' ministry during this span of time have included holding various fundraising events in order to raise monies that are distributed yearly to needy organizations in the community, assisting in the care of altar linens, making baptismal bibs, etc.

In addition, the Rosarians are active in Respect Life, Church Women United, and other civic activities.

A few of our special events sponsored each year are: a Communion Breakfast in November, our annual Christmas Party, the celebration of the feast days of St. Patrick and St. Joseph, our Fashion Show/Tea in April, the delicious babka sales on Palm Sunday, May Crowning held in the church, a Day of Recollection at the Jersey shore and ending with our Installation Dinner in June.

These events are open to women of all ages in St. Michael's Parish and the Rosarians encourage women who are interested in sharing their love and devotion to Our Blessed Mother, developing a deeper spirituality, fostering lasting friendships, to come and join the Rosarians at their meetings which are held on the first Monday of each month at 7:30 p.m. in the Parish Center.

The calendar year for The Rosarians begins in October and ends in June. Monthly meetings allow members time to socialize, pray to Our Blessed Mother for guidance and support, and to simply enjoy programs featuring speakers on many topics of interest.

When you do decide to attend a meeting, you will be greeted warmly and be able to see that The Rosary Society of St. Michael's Parish is

"More Than Just a Decade".
